

Tournament History

The boys' hockey tournament began in 1945 when eight schools from across the state participated in the first MSHSL sanctioned state tournament. In 1992, the Two Tier Tournament was introduced, allowing teams that rarely made the tournament to qualify. When the teams were seeded for the sections, the top eight teams qualified for the Tier One tournament. All others were seeded by section for the Tier Two tournament. The experiment lasted only two years. In 1994, the two class system was devised and continues to this day.

From 1945-2021, there have been 1,168 games played in tournament history with 7,482 goals scored in those games.
